

OFFICE OF THE GOVERNOR

OCT 08 2011

To the Members of the California State Assembly:

I am returning Assembly Bill 450 without my signature.

This bill targets a narrow set of contracts between the California State University campuses and their food vendors. It aims to correct a problem that may or may not exist by requiring those vendors to disclose supplier discounts and pass them on to the campuses. Since they can already do this on their own, this measure is not necessary.

Sincerely,

Edmund G. Brown Jr.
